- **File your 2012-13 FAFSA** (Free Application for Federal Student Aid) online at [www.fafsa.gov](http://www.fafsa.gov). Belmont College school code is 009941.
- **Submit this 2012 Trustees Scholarship Application** to the Belmont Financial Aid Office.

### *Eligible candidates must also meet the following requirements:*

- Graduate from high school and forward final transcript to Belmont College Records Office
- Reside and graduate in either Belmont, Harrison or Monroe County
- Enroll at Belmont College in the summer or fall term immediately following your high school graduation
- Enroll in the Student Learning and Success course (FYE 101)
- Attend the 6th Annual Trustees Scholarship Recognition Banquet in August 2012

### *Important Information:*

- The Trustees Scholarship will cover **tuition expenses only**. Students who receive grants (such as the Federal Pell Grant) will have their grant money applied to tuition expenses first. If grant funding meets or exceeds the cost of tuition, student's Trustees Scholarship amounts will be zero (\$0.00) and remaining grant funds can also be used to cover fees and book expenses. If a grant award total is less than the student's tuition expense, the Trustees Scholarship will cover the balance of tuition, but will not exceed the cost of tuition. After grants and Trustees Scholarship funds are applied to the student's account, they may still have a bill for fees and books. Eligible students may apply for scholarships that do cover non-tuition costs, and may use Federal Stafford Loan as a means to help cover expenses.
- Trustees Scholarship recipients are selected by the Financial Aid Office based on meeting eligibility requirements and scholarship deadlines, as well as funding availability.
- The Trustees Scholarship is available for six consecutive terms and students must enroll in the summer or fall term immediately following their high school graduation.
- Trustees Scholarship recipients must maintain a quarterly GPA of 2.5 and must be enrolled full time (at least 12 credits per term).

*I have read and understand the guidelines for the Trustees Scholarship and understand that even after the scholarship is applied I may still have a balance due to the College.*
